

«Neu Essence» series is a special and completely natural form of meridian treatment products. Its formulation originates from the meridian principles of traditional Chinese medicine, along with the utilization of advanced technology from the United States to extract the active ingredients from the Chinese medicines. The technology used to formulate the dosage form is also an advanced technology, incorporating new technology such as nanoparticles, which combined the active ingredients with the nanoparticles for better delivery system, and also the principles of natural biodegradation of dosage form by the body. The final product of the dosage form is hence, in the form of nanospheres, which is a stable and controlled-release dosage form. It enables the products to be applied topically and yet the effect of the products can be seen instantly, within a short 5-10 minutes after application.

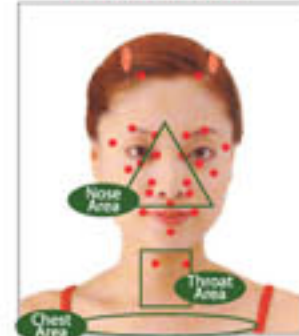

Apply on throat area

Neu Essence (P)

Acupunctured points on back head

Main Functions

1. All types of pain can be relieved within 5-10 minutes (external bleeding wound excluded): Gastric pain, headache and migraine, abdominal pain and diarrhea, rheumatism pain, arthritic pain, muscle soreness and pain, backache, pain at the neck and shoulder, sharp bone pain, neuropathic pain, muscle cramp and tingling sensation caused by stagnant blood.
2. The therapeutic effects can be seen rapidly after application, long term use can even treat the source of pain.
3. After application of the product, the skin will be rejuvenated, become radiant and fresh, also leave the body feeling comfortable, relaxed and natural.

Main Ingredients

Incorporate advanced technology such as extraction, separation and recombination at particle level. Micro-extraction method is used to extract the active ingredients found in Chinese medicine materials which can improve blood circulation and have analgesic effect, such as Carthamus tinctorius L., Panax notoginseng, Panax ginseng, Angelica dahurica and red wine. The active ingredients are then combined with other natural biomaterials in the formulation. The high permeability bio-membrane active absorption technique has allow more accurate and rapid transportation of active ingredients via the hair pores and meridians to the blood capillaries, improving the blood circulation, hence reducing pain and lethargy instantly.

* Precautions during treatment

1. Occasionally, there might be small papules appearing and skin itchiness occurring around the area where the lymph nodes are situated or where the product is been applied to. This is a normal detoxification phenomenon and should not affect the continuous use of product. After 2-3 days, the symptoms will disappear by themselves. If the user feels uncomfortable, the amount of product applied can be reduced or stopped entirely.
2. Sometimes, around the area of application, there might be red swellings which are spreading outward, small papules and skin itchiness. These are caused by sensitive skin; users should stop using the product. To reduce these symptoms, user should apply some ordinary cream for external use on the affected area.
3. Users who are allergy to harmful surface active agents found in cleaning agents such as bathing gel and fragranced soap, should take note that the allergy reaction will show as appearance of red spots on the skin. Hence, when using the product after bath, the cleaning agents should be rinse off thoroughly before applying the product; this will reduce the allergy reaction.
4. Users are recommended to drink at least 1000ml (approximately 4 glasses) of water. This will help in detoxification via the urine.
5. Contraindicated in pregnant women and user with sensitive skin should use the product with care.

Direction of use

1. Apply on the reflex areas of the arms, legs and body for health care purpose.
2. To soothe pain: apply directly on the area where pain is felt, for example: headache, abdominal pain.
3. To stay healthy: apply on both hands, instep and calf, 1-2 times daily.
