Neu Essence (D), Neu Essence (ENT), Neu Essence (P)

«Neu Essence» series is a special and completely natural form of meridian treatment products. Its formulation originates from the meridian principles of traditional Chinese medicine, along with the utilization of advanced technology from the United States to extract the active ingredients from the Chinese medicines. The technology used to formulate the dosage form is also an advanced technology, incorporating new technology such as nanoparticles, which combined the active ingredients with the nanoparticles for better delivery system, and also the principles of natural biodegradation of dosage form by the body. The final product of the dosage form is hence, in the form of nanospheres, which is a stable and controlled-release dosage form. It enables the products to be applied topically and yet the effect of the products can be seen instantly, within a short 5-10 minutes after application.

Neu Essence (ENT)

Main functions

1. Effectively clear the throat and detoxify; speedy recovery of any inflammation of the throat and dissolution of phlegm, also ease swelling and pain of the throat caused by various reasons.
2. Due to the specially devised mechanism of absorption, active ingredients can travel pass the skin barrier and enter the blood circulation within 10-30 minutes. The active ingredients will then be transferred to the cells of ears, nose, and throat, enabling these cells, which causes the pain, to absorb the active ingredients and have a speedy recovery. At the same time, the active ingredients also effectively eradicate bacteria and viruses.
3. The active ingredients also moisturize the throat for clearer voice; conditions such as dryness and itchiness of the throat, dry cough, and hoarse voice can also be improved.
4. Recover the larynx; increases the immunity of the throat passage. By applying ENT on the skin around the neck, users can nourish their throat passage with nutrients, enabling the throat to maintain its healthiness, and retain a nice and audible voice.
5. Nose problems and other respiratory system anomaly, such as allergy of the nose, nasosinusitis, cold and flu, nasal congestion, and asthma can be reduced with the help of this product. To relieve these problems, apply ENT on both wings of the nose, and gently massage them.
6. For hearing problems such as hearing difficulty, tinnitus, otitis, or other complication caused by excessive usage of cell phones, the problems can be relieved within short period of time by applying the product on the skin of both ears.
